

AQUILA SHE BRIEF

Brief No.: AQL_SHE_1418
Title: Yellow Safety Intervention TARP
Relevant to: All Personnel
Date: 22/02/2024

Yellow Safety Intervention TARP

All,

Please note with a reduction in personal safety events we are now in Yellow – Level 2 Safety Intervention TARP triggers.

Conditions	<ul style="list-style-type: none">• 1 TRC in a rolling 4 week period• 2 Anglo HPI's in a rolling 4 week period• Safety Tool / Exposure Hour Numbers have dropped greater than 10% in the previous month• Safety Tool / Exposure Hour numbers have dropped for 3 consecutive months
Persons Affected	Actions / Response
Coal Mine Workers	<ul style="list-style-type: none">▪ Involvement in 2 or more SLAM's per shift (individual or group)▪ Identification and reporting of 2 hazards per shift
All Frontline Supervisors e.g. <ul style="list-style-type: none">• MSO• ERZ Controller• Shift Engineer Appointed Supervisors	<ul style="list-style-type: none">▪ 3 VFLs per shift▪ Participate in LFI investigation's in area of accountability

Whilst there is a requirement to complete personal risk assessment tools as listed per the above, please ensure the focus is on the quality and effectiveness of the controls in place to manage our workplace hazards.

ERZ Controllers – Please note this now removes the requirement to complete the safety intervention proforma template. Please continue to monitor and confirm adequacy of personal risk management tools within your areas of responsibility.
