
AQUILA SHE BRIEF

Brief No.: AQL_SHE_1428

Title: FRM and Take 5

Relevant to: All CMW's

Date: 4 March 2024

Fatal Risk and Take 5 familiarisation sessions have been completed and all CMW's should now be using the Take 5 personal risk management tool.

For any personnel that were on leave or not able to attend a session, please contact your Coordinator or Superintendent to arrange some time with a member of the safety team.

Remember we are one of the pilot sites, so your **feedback** on the Take 5 and JRA tools is critical to make sure we can make any improvements before they are finalised and implemented at all sites.

Any questions please contact Lunetta Friend or a member of the safety team.
